Subject: Suggested Language

Hello Adam,

The language suggested by June Weisberger, the law professor who helped draft this chapter of the statutes, is as follows:

"Nothing in this section shall interfere with a faculty member's right of academic freedom."

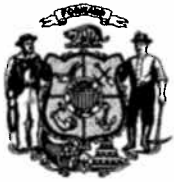

I would suggest it be listed just after 111.91(1m), although the drafter may have another suggestion.

Thank you to Senator Coggs and you for considering this request. Please let me know if I can provide further information.
